# TOYS FOR TOTS

## TOY RUN COMMITTEE 2013

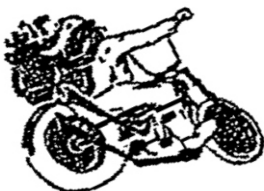

*Welcome to this year's 20th Annual Toy Run. We wish to extend our thanks for your participation in this year's event. This year our event will be held on December 14, 2013.*

*Enclosed you will find a Vendor Information Form which needs to be completed and returned before October 15, 2013 to confirm your reservation. We have many vendors requesting inside booth spaces and we need to know what openings there will be (if any). ALL NON-CONFIRMED SPACES will be filled by another vendor.*

*As always, we ask that you refrain from selling items that make it hard at clean-up time . . . namely poppers, silly string and so on.*

*Again, "The Toy Run Committee" wants to say welcome to this year's event, thank you for your participation, and we hope this year will be the biggest and best year yet.*

*If you have any questions or need anything further please contact  
"Sue Glenn @ 281-702-3375" and/or Lady Hog @ 281-507-3387  
and/or Mary Jarboe @ 713-385-7689*
